Message:

Hello everyone,

A draft agenda for your meeting is attached. Please let me know if you cannot attend or have an update on an action item from the last meeting. Minutes are on the website www.bvldamp.ca under Morice CWG if you need a refresher.

Please bring your agenda, minutes, and copy of the presentation on Goals and Indicators done in June. If you have time, viewing the minutes from the Lakes CWG for August will provide useful background for our discussion. Christine (and possibly Ian as well) will not be able to come to this meeting, but I will be there with my environmental planning intern Emily Bulmer.

See you then.

If you can breathe, you can make a difference.
